### **PRESS RELEASE**

#### **NAMFREL Bantay ng Bayan UPDATE #3**

**May 9, 2022, 11:00pm**

#### **NAMFREL Reports On Statistics From The Bandwidth Test And Election Returns Photos Submission Through The NAMFREL App**

As of 10:19pm of 9 May 2022, the NAMFREL app has received photos of 1,517 printed and posted Election Returns. The election results captured in these photos are consistent with the electronically-transmitted Election Returns in the Transparency Server.

Also as of the time stated above, a total of 2,195 bandwidth tests were also conducted through the NAMFREL app from various locations around the country. This figure is consistent with the transmission rate of the Election Returns to the Transparency Server, which is at 73.91% as of 10:32 PM, 9 May 2022.

NAMFREL will periodically release updated statistics on the photos of Election Returns submitted, and on the bandwidth tests conducted, through the NAMFREL app.

*NAMFREL is the first citizens-led, national election monitoring organization in the world. Since 1983, it has been accredited by the COMELEC as its citizens' arm. For the 2022 elections, NAMFREL has again been accredited, and has fielded volunteers across the country to observe the pre-election, Election Day, and post-election periods.*
